EXPERIENCE TRUE VERSATILITY!

Now you can combine the productivity and quality of the **LP 3235, LP 3240** and **LP 3245** b/w printers with the colour scanner USB to transform them into all-in-one multifunctional systems. And thanks to the clearly laid out colour display, operation is just as uncomplicated. Sending documents is quick and easy with Scan to e-mail or Scan to FTP functions and you can use the USB host to print out documents directly from the system, without connecting to a computer. Even for faxing, the colour scanner USB offers a great deal of flexibility with an efficient duplex mode when sending and receiving, as well as an address book for a total of 500 fax numbers and 32 distribution lists.

Your UTAX dealer

01/2009

Following in-depth analysis of all output systems used in the company, with our **UTAX DOCUMENT CONSULTING** sales concept we create an offering precisely tailored to the customer's needs. Using the very **latest UTAX digital systems** in combination with **practical software solutions** from the DMS areas of **archiving, form printing and accounting**, the entire **output and document management** becomes extremely efficient and **costs are reduced**.
