

UTAX (UK) Ltd – WEEE

- Environment Agency Producer Registration Number – WEE/GE0003ZR
- In order to meet our legal obligations under the WEEE legislation, UTAX has undertaken an agreement with:
 - WeeeCare, Valley House, Knowsthorpe Lane, Leeds, LS9 0PF
 - Procedure for collecting obligated waste: Obligated waste applies to products put onto the market by UTAX after 13th August 2005.
 - Business end user or dealer must telephone WeeeCare helpline 0844 800 2004 and quote the UTAX account number - 136140
 - Once WeeeCare have established that the waste is obligated to UTAX, they will arrange collection within a reasonable length of time. The collection cost and recycling cost is paid for by UTAX.
 - If the end user / dealer requires the waste to be collected at a specific time then a charge will be made, depending upon when the collection needs to be made and the geographic location.
 - Waste can be collected either from the end user or from our dealer partners.
- Non obligated waste applies to products put onto the market before 13th August 2005.
 - The end user is responsible for paying for its disposal, although if the end user is upgrading equipment, then the supplier of the new equipment is responsible for the cost of disposing of the old equipment, irrespective of the manufacturer.

For further information please contact the WeeeCare helpline 0844 800 2044 or visit www.weeecare.com
